RE: Certificate of Correction

Consideration has been given your request for the issuance of a certificate of correction, for the above-identified patent under the provision of Rule 1.322 or R1. 323.

Respecting the alleged error, the claim limitation which patentee's seek to insert into the claim was clearly removed from claim 1 by the 10/26/05 amendment. As the mistake is not a typographical error, clerical in nature, and/or mistake of minor character, the certificate of correction shall not issue. Therefore, no correction(s) is in order here under United States Codes (U.S.C.) 254 or 255 and the Code of Federal Regulation (C.F.R.) R1.322 or R1.323.

In view of the foregoing, your request is hereby denied.

Further correspondence concerning this matter should be filed and directed to Decisions and Certificates of Correction Branch. Any response must be filed within a four week period.
